DETAILED ACTION

Election/Restrictions

Claims 13 and 29 directed to an allowable apparatus based on their dependency to an allowable parent claim have been rejoined.

Because all claims previously withdrawn from consideration under 37 CFR 1.142 have been rejoined, **the restriction requirement as set forth in the Office action mailed on November 28, 2006 is hereby withdrawn.** In view of the withdrawal of the restriction requirement as to the rejoined inventions, applicant(s) are advised that if any claim presented in a continuation or divisional application is anticipated by, or includes all the limitations of, a claim that is allowable in the present application, such claim may be subject to provisional statutory and/or nonstatutory double patenting rejections over the claims of the instant application. Once the restriction requirement is withdrawn, the provisions of 35 U.S.C. 121 are no longer applicable. See *In re Ziegler*, 443 F.2d 1211, 1215, 170 USPQ 129, 131-32 (CCPA 1971). See also MPEP § 804.01.

Allowable Subject Matter

Claims 1-9, 11, 13, 14 16-34, 68, 69, 71, 75-80, 83 and 84 are allowed.

The following is an examiner's statement of reasons for allowance: For the reasons set forth in Applicant's response filed April 22, 2008. Further Examiner notes that "*clamp*" as defined by Merriam Webster On-Line Dictionary is understood to mean "*a device designed to bind constrict or to press two or more part together so as to hold them firmly; any of various*

Art Unit: 3725

instruments or appliances having parts brought together for holding or compressing something”.

Prior art, Gondar fails to disclose or fairly teach a "member configured to clamp the base about the motor in combination with the rest of the positively recited limitations as set forth in claims 1 and 19.

Neither the prior art of record nor any combination thereof discloses the claimed invention as set forth in claims 1 and 19. Therefore claims 1-9, 11, 13, 14 16-34, 68, 69, 71, 75-80, 83 and 84 are deemed allowable over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
